

## How to renew a title

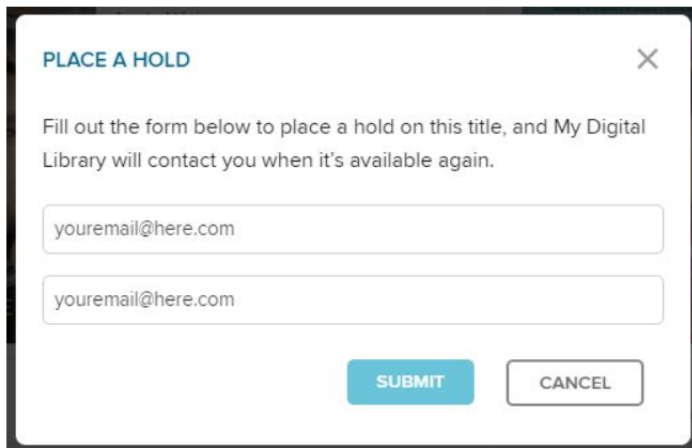

1. In your library's digital collection, select  to go to your **Loans** page.

If prompted, sign in.

2. Select the **Request again** button under the title you'd like to renew.

3. Enter and confirm your email address in the pop-up window. In this window, you'll also see if the title will be available for you to borrow again immediately after your checkout expires.

Below the title, there is a message: 'Fill out the form below to place a hold on this title, and My Digital Library will contact you when it's available again.' There are two input fields for email addresses, both containing the placeholder text 'youremail@here.com'. At the bottom, there are two buttons: 'SUBMIT' and 'CANCEL'.

Titles that you've requested again will appear on your **Holds** page and will be automatically checked out to you as soon as they're available again (unless you've [turned off automatic hold checkout](#)).

Please note that renewing a title does not mean that it is automatically re-downloaded to your computer or device. If you'd like to re-download your renewed title, you'll have to go back to your **Loans** page and download it again.
